

Monthly HABA Blacksmith Meetings

2nd Saturday of Each Month

**Armand Bayou
8500 Bay Area Blvd.
Pasadena, Texas 77507**

HABA will be holding a Blacksmithing meeting at Armand Bayou on the 2nd Saturday of each month. The focus of the meetings will be to have a group of interested members work their way through the controlled hand forging progression as a means of learning the basics of forging iron. The progression starts with the basic techniques for moving metal and shaping it. It eventually leads into advanced techniques. Along the way, participants will create various artifacts that are of use both in pioneer societies as well as the modern world.

To take participate in the meetings one must be a member of **HABA** which only costs \$20.00 per year. This is to cover liability issues. The public is welcome to observe without charge and we will have displays of items made by members.

The meetings will take place in front of the hay barn next to the wood working shop. We usually have some good shade there and there is plenty of room for working. We will have at least 3 anvils, a leg vice or two and two forges. So if you don't have all the equipment we can share these.

Armand Bayou requests that we limit vehicle traffic between the hours of 9 AM and 4 PM. So if you are bringing something that needs to be transported be sure to arrive before 9 AM. Another reason to arrive before 9 AM is to be able to enter the area without paying the Armand Bayou entry fee of \$4.00 per person.

Details of each upcoming meeting will be announced in the HABA Update email. If you want to be put on the list send an email to pmforging@gmail.com.
